## RULES ©

**Start:** two players play on a board with 5 x 5 fields. Each player has 4 stones. The stones are aligned on the opposite borders. Every player has a pair of stones on each side.

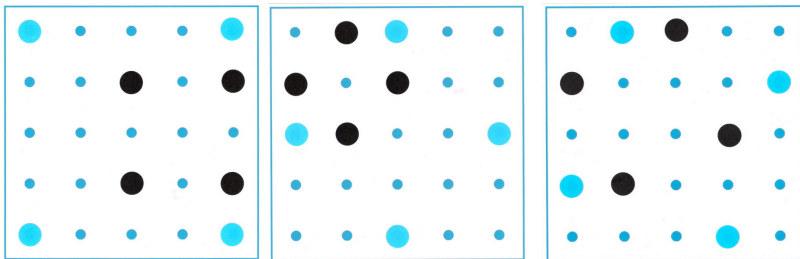

**Aim:** be the first to build a square with your stones (shouting MONDRAGO)

**Moves:** move one of your stones to an empty field next to it. You can move to any direction: vertical, horizontal and diagonal. You cannot jump over a stone.

**Tips:** There are several possibilities to build squares: straight, diagonal or oblique.

To have stones just take coins, corksoppers. little stones etc
